

'*Far from home*' is a song by Farhad Bandesh and Anna Liebzeit, sung in a traditional Kurdish style about being far from home and surrounded by no one. It is a haunting tribute to the endurance of the human spirit whilst being detained on Manus Island. It was made via mobile phone and internet between Manus Island, where Farhad is detained, and Narm (Melbourne) in 2018. You can support Farhad's legal costs by purchasing the song here: <https://farhadbandesh.bandcamp.com/releases>.
